# CONNIE BOYD MAGIC

## Biography.

For over four decades, Connie Boyd has pushed the needle forward in the world of magic as an entertainer, award-winning magician, director, producer, mentor, inventor and writer.

In her early years as a Vegas (and beyond) headliner, Connie's performances earned her prestigious accolades, including the "World Magic Awards – Best Cabaret Act", broadcasted from the iconic Hollywood Palladium. Later she blasted onto international stages, earning awards such as the "Prix du Public" – the Grand Prix du Magiques, Monte Carlo and the esteemed "Mandrake d'Or" from Paris, France.

Amazed audiences admired her mastery of her art in grand theaters and on televisions across the world. From 2009 to 2020, she helped other women create fulfilling lives in magic, as she produced, directed, and cast four distinct magic production shows on international cruise-ships. Her shows included: "the Beauty of Magic," "Chicks with Tricks," "Illusionista," and "Illusions." Notably, these productions featured multiple female magicians, a groundbreaking and record-breaking testament to Connie's creative spirit and unwavering passion to propel women in magic to the forefront.

After a decade in Asia, Europe and at sea, Connie Boyd's influence in the magical world continued to be recognized and celebrated – in 2025 she was honored with an "Innovation in Magic" award by the Los Angeles Tribune and a Milbourne Christopher "Award of Excellence." In 2022, she was honored with a "Special Fellowship Award" from the Academy of Magical Arts and the Magic Castle. Acknowledging her tireless dedication to expanding the horizons of the magician community. She has also received a "Presidential Citation" from the Society of American Magicians.

During this period, she created the Magical Women Project, which is dedicated to promoting and documenting remarkable women in magic – past, present, and up-and-coming. The Magical Women with Connie Boyd, YouTube channel, provides a free resource supporting women in magic in interviews and performance clips. As part of this project, she presented the groundbreaking "How Women Influence Magic" lecture at the 2022 FISM in Quebec City, Canada. Riding the tails of her success at FISM, she presented a current version of this lecture at the prestigious Magic Castle, in Hollywood, in April 2023, and at the IBM annual convention in 2024. In 2025 she presented at the Mystify Magic Festival and Magic Collectors Expo in 2025 affirming Connie's dedication to sharing the untold stories of women in magic.

## \*biography continued

Most recently, Connie continues to serve as a mentor to women in magic, helping them to create sustainable, lucrative, and fulfilling careers. She accomplishes this through direct mentorship, consulting, and shining a massively bright spotlight on up-and-coming women. With her positions at an international magic magazine, Connie is a Senior Associate Editor/Adviser at Vanish International Magic Magazine, she has authored over 50 articles on amazing women in magic and has placed over 30 of those women on the magazine covers. At present she is writing a first of its kind book, which will document women in magic.

Connie is not only a remarkable magician, but she is a champion for all women in magic, past and present. Her commitment to furthering our art is undeniable, and her impact is, in one word... powerful.

### SIRENS AT SEA

Every now and then, a simple email comes into the MAGIC Magazine office with some little bit of news of the magic world. This one read, “I have just opened a new show on a Costa cruise ship. There’s the third major show on the cruise line starring a woman magician. I think we have something unique here.”

No kidding! And in this case, the same woman is the creative force behind all three shows!

**Dee Dee Jonsson** – Jonsson has been a very successful magician for many years. She has performed in Las Vegas, New York, and all over the world. She has been a featured performer on the cruise line for many years. She has been a featured performer on the cruise line for many years.
