

CONNIE BOYD - bio

For over four decades, Connie Boyd has been one of magic's most transformative forces — a world-class performer, award-winning innovator, and tireless champion for women in the art form.

Her performance career set the standard for excellence. As a Las Vegas headliner and international stage artist, Connie earned some of magic's most coveted honors: the **World Magic Awards—Best Cabaret Act**, broadcast live from the Hollywood Palladium; the **Prix du Public** at the Grand Prix du Magiques in Monte Carlo; and the prestigious **Mandrake d'Or** from Paris, France. She captivated audiences in grand theaters and on television screens around the world, commanding every stage she graced.

From 2009 to 2020, Connie turned her creative vision toward a new frontier. As producer, director, and casting director, she built four full-scale international magic productions for cruise ships — *The Beauty of Magic*, *Chicks with Tricks*, *Illusionista*, and *Illusions* — each featuring multiple female magicians. It was a record-breaking achievement that fundamentally challenged the industry's status quo and opened doors that had long been closed to women.

Her influence has only grown since. In 2022, she received the **Special Fellowship Award** from the Academy of Magical Arts and the Magic Castle, as well as a **Presidential Citation** from the Society of American Magicians. In 2025, she was honored with the **Innovation in Magic** award by the Los Angeles Tribune and the **Milbourne Christopher Award of Excellence**. In July 2026, she will be celebrated as **Guest of Honor at the International Brotherhood of Magicians Convention** — a fitting tribute to a career defined by boundary-breaking achievement.

Beyond her own accolades, Connie has built something rare: a living legacy. Through the Magical Women Project, she preserves and amplifies the stories of women in magic — past, present, and future. Her landmark lecture, **How Women Influence Magic**, has been presented at FISM 2022 in Quebec City, the Magic Castle in Hollywood, the Mystify Magic Festival, the Magic Collectors Expo and more.

Her YouTube channel, **The Magical Women with Connie Boyd**, provides a free, ever-growing archive of interviews and performances dedicated to the community. It has over 300 uploads and over 1,000,000 views.

As Senior Associate Editor and Adviser at Vanish International Magic Magazine, Connie has authored more than 60 articles on women in magic and placed over 30 of those women on the magazine's cover.

Her literary award-winning book, **The Power of Magical Women** — the first of its kind — is already a landmark contribution to women in the arts. A second book, documenting the full history of women in the art, is currently in progress.

Connie also brings her message beyond the magic community. Through her keynote talk, ***Finding Your Own Magic***, she inspires and uplifts audiences everywhere — using her extraordinary journey as proof that creative courage, persistence, and purpose can transform a life.

Today, Connie continues to mentor the next generation of women in magic, guiding them toward careers that are sustainable, lucrative, and deeply fulfilling. Her impact on the craft is immeasurable — and entirely, unmistakably her own.

Connie Boyd is not simply a great magician. She is the reason the next generation of great magicians knows they belong.
